8  
9 **Employees with AIDS:**

10  
11 Any employee who has AIDS (Acquired Immunodeficiency Syndrome) or HTLV-III infection shall be  
12 placed on leave with pay until it can be determined the employee does not constitute a danger to  
13 other workers or students.  
14

15  
16 **Students with AIDS:**

17  
18 Students with AIDS (Acquired Immunodeficiency Syndrome) or HTLV-III infection shall be placed  
19 on home-bound instruction until a determination can be made as to whether they constitute a health  
20 risk to themselves, employees, or students.  
21

22 The Superintendent and/or Director of Pupil Services shall immediately convene the M-team to  
23 assess the EEN status of the student. (For the purpose of this policy, the M-team will consult with  
24 public health officials and medical authority that has background in AIDS and HTLV-III infection.)  
25

26 Records and identity of the student will remain in compliance with the Wisconsin Public Records  
27 Law and School Board Policy.
