**INFECTIOUS DISEASE/PANDEMIC FLU**

6  
7 -----  
8  
9 In order to safeguard the school community from the spread of certain communicable diseases,  
10 including Pandemic Flu, the Superintendent shall implement procedures assuring that all school  
11 buildings are in compliance with the Wisconsin Division of Health and Family Services and the  
12 Trempealeau and/or Jackson County Health Department's rules and regulations regarding the  
13 presence of persons who have been exposed to infectious diseases deemed dangerous to public  
14 health.

15  
16 Such procedures shall also prescribe the manner in which safeguards are taken to remove the  
17 danger to others.
